COMMONWEALTH OF PENNSYLVANIA  
HARRISBURG

January 19, 2021

Honorable Tom Wolf  
Governor, Commonwealth of Pennsylvania  
Room 238, Main Capitol Building  
Harrisburg, PA 17120

Dear Governor Wolf:

We are writing to request a detailed briefing with you and Secretary Rachel Levine regarding the Commonwealth's COVID-19 vaccine distribution plan. We request this briefing be with our full leadership team.

As the rollout of the COVID-19 vaccine has begun, many of us are being inundated with questions and concerns from constituents who are eager to get the vaccine for themselves or their loved ones. Everyone in government, executive and legislative, has a moral obligation to make sure our citizens are getting access to the vaccine in an expeditious manner. No other action allows Pennsylvanians to return to safety and normalcy.

Bloomberg News reports that Pennsylvania has received 1,065,300 doses of the Pfizer and BioNTech vaccine and the Moderna vaccine. To date, 425,654 of those doses have been administered.

We look forward to hearing from you regarding our request.

Sincerely,
